

## **Brennan Carson**

Brennan Carson is the Vice President, Client Service and Sales for STYLUS Asset Management in Oakville. Brennan manages all the client relationships, reporting and product overviews for STYLUS, which manages in excess of \$100 million for individual clients. Brennan has spent the last 10 years in the investment business, working in both private wealth management as well as pension investments. Prior to that, Brennan worked for 10 years as a fund development professional, helping various organizations in education, health care, and the arts throughout southern Ontario with their annual & capital fund raising needs. Brennan has been involved with Food for Life as a volunteer since 2004, and has been a Board Member and Chair of the Fund Development Committee since 2008.
