Great! We are looking for a Food for Life Ambassador to 1) Safely drive one of our large 26 foot straight trucks and 2) Be the face of our organization, providing exceptional customer service to both our food donors and our partner food programs/agencies. Reporting to the Director of Operations, the Part-Time DZ Driver is responsible for driving Food for Life trucks, conducting food pick-ups and deliveries, as well as providing warehouse support as needed.

Responsibilities

- Ability to safely drive a refrigerated 26 foot tandem straight truck and other smaller straight trucks to conduct food pick-ups and deliveries based on a route scheduled by Food for Life.
- Provide courteous and respectful customer service to both food donors and community food programs.
- Sort and consolidate food pallets while on the road and in the warehouse to ensure efficient use of space.
- Recommend operational changes that will help improve services to the Operations Manager and/or Director of Operations.
- Ensure all supplies/materials are placed in their designated spot when loading/offloading in the warehouse (i.e. empty pallets stacked, cardboard/skid wrap waste disposed of, empty banana boxes stored in its proper area).
- Approx. 20% of time will be spent in the warehouse loading/offloading, weighing and storing food and providing general warehouse cleanliness and maintenance assistance to the Operations team.

Qualifications

- Mandatory: DZ license with +3 years of DZ driving experience.
- Shipping and receiving experience
- Experience utilizing manual and electric pallet jacks to move product
- Strong communication, interpersonal, and teamwork skills
- Knowledge of and experience working with safe food handling protocols
- Ability to lift and carry boxes or containers weighing up to 60 lbs. and to move food containers around in the limited space of the vehicle and storage facility
- Great attention to detail/accuracy
- Customer service mindset
- Safe Food Handling Certificate is an asset
